The back aches because the kidneys are blocked.  
Help the kidneys with their work. The back will ache no more.  
Proof that Doan's Kidney Pills is the best proof, for it comes from a man, Martin, employed at the Newberry Mills, says: "My back ached for four years, and the pain right at the small of my back was at times that I could not work. I thought all rheumatism and was trying all of liniment and rheumatic cures, but noticed a little relief in my back when I came to the conclusion that it must be my kidneys which caused the trouble, but the I used did not help me. Seeing advertisement about Doan's Kidney Pills, I bought a box. I felt better at day I used them and since then all the pain in my back is gone, the kidney secretions are normal and the sediment disappears. I cannot express how thankful I am for Doan's Kidney Pills. It is a good reliable kidney medicine."
